

# Design a plate

**at Stoke-on-Trent Libraries.**

From 23 September to 4 November

[www.britishceramicsbiennial.com](http://www.britishceramicsbiennial.com)

## The Project.

During the BCB Festival Stoke-on-Trent Libraries is calling on all children and adults to help us to create a gigantic colourful hanging plate display.

## Get involved.

Visit one of our libraries and create a wonderful design on one of the paper plates provided. You can either use our local heritage art books for inspiration or, if you are feeling super artistic, you can create an original design.

Once you have completed your plate, take it to the library counter where we will stamp it for you.

Your plate will then be sent on to **City Central Library** in Hanley where it will form part of a gigantic display of hanging paper plates.

**If you would like to see your plate on display, then you can visit:**

### City Central Library

Bethesda Street

Hanley

Stoke-on-Trent

ST1 3RS

We will also be sharing pictures of the growing display on Facebook. Be sure to follow us!
